Our marketing and communication department is a **5-people** team. Within this department, we design communication material unique to our company and adapted to our customers. We have **modern tools** such as a **PAO software**, a **28m² photo studio** as well as an **automatic recording cabin**. This device enables us to obtain qualitative pictures of our products.

OUR CSR COMMITMENTS

Solar panels installed on the company's rooftops

At S&M, we firmly believe that economic success must go hand in hand with respect for the environment, the well-being of our employees, and support for local communities. Our commitments to Corporate Social Responsibility (CSR) are at the heart of our strategy and guide our daily actions. We are committed to minimizing our environmental impact through sustainable practices. We have implemented measures to reduce our carbon footprint, optimize our energy consumption, and promote the use of recycled materials.
